

# PetPrevea™ ADVANCED FOR DOGS

Monthly topical treatment and prevention of ticks, fleas, mosquitoes, biting flies and lice

PetPrevea™ Advanced for Dogs is a convenient, easy-to-apply topical solution that repels and kills ticks, including: Deer ticks that may transmit Lyme disease, American dog ticks that may transmit Rocky Mountain spotted fever, Brown dog ticks that may transmit ehrlichiosis, and Lone Star ticks that may transmit ehrlichiosis for up to four weeks.

**For dogs only. Do not use on cats.**
